Dear Mrs. Amy Mc Elroy,

We have received several "Member's Confidential Evaluation Forms" from Federation members commending you on your officiating at the *Dressage At The Ridge* competition that took place 10/2 to 10/3/2010 in Tuskegee, Alabama.

While we cannot disclose the names of these members or their exact comments, we can share with you the substance of their comments. These members reported that you had a positive attitude and demeanor toward the exhibitors and your comments on the tests were instructive and consistent with the scores.

USEF would like to thank you for upholding the high standards that we set forth for our officials and for helping to promote the pursuit of excellence in equestrian sport.
Very truly yours,

Mary Smith, Director
